Welcome to Maybury Primary School

Our values-based school is a happy, caring, safe and stimulating learning environment, where everyone is nurtured and encouraged to thrive intellectually, emotionally, physically, socially and spiritually.

Our vision is for Maybury Primary School to be at the heart of the community, providing a wealth of learning opportunities for our children, our families and our staff. We are a school that values uniqueness, and where children are provided with the skills and attitudes to enable them to succeed.

“Outstanding teamwork between teachers and assistants is a key factor in the pupils’ good learning.”

Ofsted Report

“A fantastic experience. All the children were a delight, reflecting the obvious commitment of your whole staff.”

Everyone and everything is valued and appreciated

We truly value the contributions of every child and ensure we deliver meaningful and stimulating learning experiences in a way which both challenges and inspires.

We are proud to serve our multi-cultural community and work in close partnership with families to help our children develop both socially and academically within a safe, happy, supportive and enriching environment. We have an 'open door' policy and encourage parents to take an active part in children's learning.

"What a happy, friendly school! I loved being shown round and seeing all your children and welcoming and encouraging displays. Thank you!"

Visitor

"Colourful stimulating classrooms and a friendly, welcoming ethos help children and their families to feel at home and happy in the school."

Fostering a love of learning

At our school we believe that “everyone is a learner and every experience is a learning opportunity.” We encourage our parents to be learners themselves by attending a variety of parent workshops that the school offers. Children are encouraged to develop a love of learning through meaningful, engaging and creative learning experiences.

We have high aspirations for all our children, and provide enriching and exciting learning environments. We encourage all children to take responsibility for making decisions to provide them with the foundations to become lifelong learners. The school benefits from excellent indoor and outdoor facilities.

“Very welcoming and lovely smiley polite children. Classrooms are calm and inviting with lots of children’s work on display.”

Visitor

“Pupils learn well because lessons are interesting and well-planned and provide them with an exciting variety of experiences.”

Ofsted Report

Enriching experiences through an exciting curriculum

Learning is brought to life through high quality first hand experiences which engage children's natural curiosity. We use children's experiences to deepen and extend their understanding about each other and the world in which they live.

Children's learning in each term is supported by exciting and inspiring trips both in the local area and further afield. We plan whole school theme weeks which bring learning to life. We encourage children to be independent thinkers and to adopt investigative and problem solving approaches to challenging learning situations. We encourage children to participate in a wide range of after school enrichment opportunities.

"Senior Leaders are very helpful and always willing to give time to parents."

Visitor

"Excellent relationships between adults and pupils help to create a productive working atmosphere."

Ofsted Report

Promoting responsible citizens

We widen children's aspirations equipping them with the key skills for life. Our curriculum is underpinned by a strong values based ethos which helps our children understand about their responsibilities to themselves and others.

We have high expectations of all our children and encourage them from the outset to be aspirational and self-reflective individuals. We encourage children to take pride in the things they do. Our children have opportunities to work in different ways with different people and make links with pupils in other schools around the world.

"A fantastically confident and friendly student body."

Visitor

"Maybury is a good school where children thoroughly enjoy learning."
