## Home Learning Newsletter

Welcome back for the penultimate newsletter of the school year. Please do send lots of pictures next week for our final issue on Friday 17th July.

### Chalk artwork

Lots of our children have been busy creating chalk drawings on the playground this week. Look at the wonderful art that our Year 5 children have created. Most of the drawings are around the theme of rainbows. If you have some chalk at home, could you create your own chalk drawings in your garden or on a safe pavement?

## Times Table Rock Stars

Well done to all those children who earned points for their class by playing Times Table Rockstars this week. More children played this week than the previous week—well done for taking the time to develop your times table facts. Find the results from this week's competition in the table below.

Class	Score	Verses	Score	Winners
Seahorses	45,719	Dolphins	23,369	Seahorses
Manta Rays	13,395	Jellyfish	13,004	Manta Rays
Angelfish	13,422	Sea Turtles	9,544	Angelfish

Well done to Seahorses class who are the clear winners this week. Our last competition of the school year will be: Jellyfish verses Sea Turtles; Dolphins verses Angelfish; and Seahorses verses Manta Rays. Let's make this the highest scoring competition of the year!

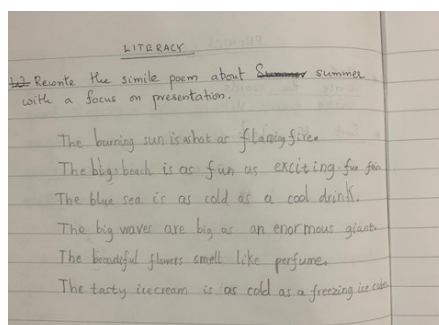

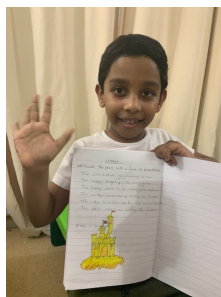

## Being creative at home

Art and Music are great ways to keep busy and to develop your talents. Could you paint or draw a picture to put up on the wall? Can you compose your own song? You don't need to have a piano—you could make an instrument by filling an empty plastic bottle with rice or pasta. Or write your own song—we all have a singing voice that we can develop at home.

## Writing poetry

Jellyfish class have been writing poems on the theme of Summer. They have used similes and their senses to bring summer to life on the page. Could you write your own Summer themed poem?

## Keep in contact

Keep sending home learning photos to: [homelearning@maybury.surrey.sch.uk](mailto:homelearning@maybury.surrey.sch.uk). Only send photos and videos if you are happy for them to appear on the newsletter and website. Remember to keep checking the website every day to find the new home learning for that day.
