## Home Learning Newsletter

This week the staff at Maybury have been busy creating another video for you to enjoy! This time they are all singing and dancing to the song 'Shine'. Thank you again to Miss Slade for being the chief editor and to the staff for getting involved. Can you spot Mrs Aitchison's and Mrs Sullivan's dogs who are becoming celebrity dogs in our videos?

You might like to watch the video again: <https://youtu.be/3a5TWwKpejw>.

### How many of the below questions can you answer?

- How many of the staff are wearing sunglasses?
- Who appears from behind an umbrella?
- How many children can you see in the video?
- Who is busy cleaning?
- Who is pushing her son on a chair?
- Who is wearing a light up star?
- How many clocks appear in the video?
- Who is a master piano player?
- Who shows a big sunshine poster?
- Who is singing in her car?
- Who appears with her teddies?
- In your opinion, which is the funniest part of the song?

### Some of the comments you have made about the video:

"Thank you very much for making this video. Me and my mum watched it and felt very happy. I really want to go back to school!"

"The video was REALLY nice and I loved to see the teachers in the video!"

"I really like the video and I enjoyed watching all the teachers wearing colourful costumes!"

## Helping at home

Last month our school value was taking 'responsibility'. Look the children in the below pictures taking responsibility around the house. It is lovely to see you helping with the cooking, cleaning and even the DIY.

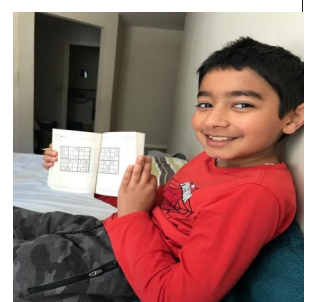

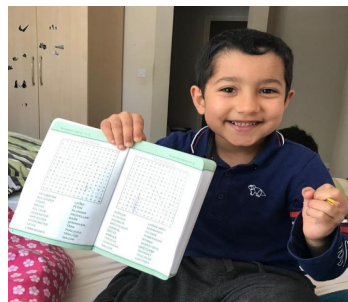

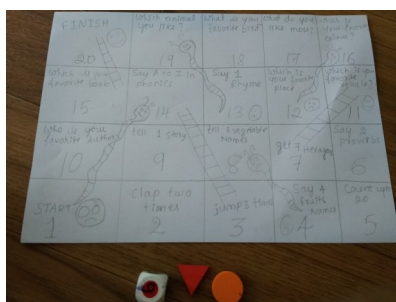

## Creative learning

Lots of you have continued to show your creativity at home this week. They have clearly demonstrated our school value this month with is perseverance. I imagine that creating that tower out of cups must have needed a lot of perseverance—what a fantastic idea!

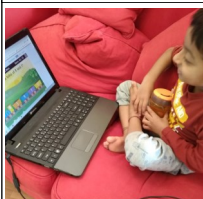

## Playing games

Playing games is a great way to avoid boredom. The children below have been playing with lego and completing sudoku and word search puzzles. If you don't have any games at home, remember could create your own game like the Snakes and Ladders below.

## Computer learning

During half term next week we will not be setting specific home learning, but remember to can still use Times Table Rock Stars, Ed Shed and Bug Club.

## Times Table Rock Stars competition:

We have set up some new competitions for you to play in next week which will run until 1st June:

Manta Rays vs Sea Turtles

Seahorses vs Dolphins

Jellyfish v Angelfish

**The more times you play, the more points you can earn for your class!**

## Last weeks Times Table Rock Stars winners

Class	Score	Verses	Score	Winner
Dolphins	6346	Mantra Ray	7119	Mantra Ray
Jellyfish	2090	Sea Turtles	7892	Sea Turtles
Seahorses	16,754	Angelfish	22, 666	Angelfish

An especially big congratulations to Angelfish who won overall with a massive score of 22, 666!

## Enjoying the outdoors this half term

Perhaps this half-term you might be able to enjoy the outdoors and spend more time with nature. Remember to keep your distance from other people and wash you hands when you get home.

## Reading at home

A reminder of some other websites you can use for your daily reading:
