

Maybury News

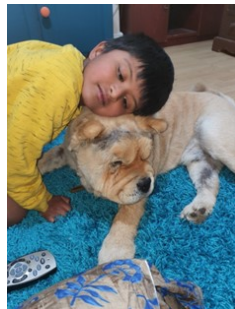

Believe. Succeed. Achieve.

Home Learning Newsletter

Today marks the end of our school year and what an extraordinary year it was been! The Coronavirus might have put paid to some of our normal summer activities like sport day, our summer fun day and our transition sessions but it has also taught us a lot. It has taught us to enjoy the outdoors, to be more creative and to be more independent learners. We have also had a greater opportunity to display our school values at home—it has been incredible seeing photos of you helping at home and interacting so well with your siblings.

End of year video

The staff at Maybury have been busy creating another video to mark the end of the school year. Use the following link to watch our end of term video: <https://vimeo.com/437097024> and enjoy the leavers poem read at the beginning.

2020

The rooms were half empty, the resources packed away,
This isn't how we wanted your graduation day.

The virus broke out, we had to stay at home,
We all knew we were not alone.

During your time at Maybury, we laughed, we learned, we played.
We had the best time, we wish you could all stay .

But you are growing up, you have become so resilient and strong,
For you to keep on learning, it is time for you to move on.

You are going to secondary school, and though we will be apart,
You will always have a big part of our Maybury heart.

Goodbye to our Year 6 leavers,
Spread your wings and fly.

And for all our other children, remember
We will see you in September.

Birthday celebrations

Congratulations to all those who have celebrated their birthdays this week and those who will celebrate over the summer holidays. This includes Mrs Merritt who celebrates her birthday this week!

Times Table Rock Stars

Well done to all those children who earned points for their class by playing Times Table Rockstars for our final tournament of the year. Find the results from this week's competition in the table below:

Class	Score	Verses	Score	Winners
Seahorses	88,802	Manta Rays	90,468	Manta Rays
Jellyfish	9,389	Sea Turtles	5,139	Jellyfish
Angelfish	68,008	Dolphins	59,882	Angelfish

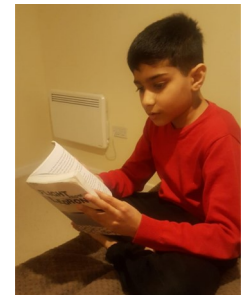

Well done to Manta Rays class who are the clear winners this week. Remember to keep playing over the Summer holidays!

"The more you read, the more things you will know. The more that you learn, the more places you'll go". Dr Seuss

Remember to read regularly during the summer. Your Bug Club login will still work and Woking library has now reopened (check their website for opening times and any restrictions). Remember you can also use some of the reading resources below to help you:

- Nosycrow.com (offering free picture books of the day).
- Readingagency.org.uk/resources (summer reading challenges).
- Authorfy.com (10 minute create challenges).
- Fonetti.com (free reading apps).
- Barneskidslitfest.org (children's Literature festival)
- Bit.ly/3fIPbTS (daily story times and drawalongs)
- Vampirates.co.uk/videos/ (Creative pirate adventures from the author Justin Somper)

And finally...

Remember to keep active, eat well and sleep well this summer. We can't wait to see you again in September when we will **believe, achieve and succeed** together. Good luck Year 6 and good bye Mrs Aitchison —come back and visit us soon.

HAPPY SUMMER
