## Part C: Terms and Conditions

By completing this medical diet request form, parents/guardians are consenting for an adapted Chartwells medical diet menu to be prepared for their child and for their child to be identified as having a dietary requirement in accordance with the identification system operated at the school. The medical diet menu will continue until Chartwells are notified in writing otherwise. You will receive a copy of the medical diet menu and are required to notify any discrepancies immediately. If you do not notify any discrepancies prior to the menu start date, this will signify the acceptance of the medical diet menu. It is the parent/guardian's responsibility to inform Chartwells in the case of any changes to the medical diet requested for their child. If Chartwells becomes aware of any other medical diet requirement which has not been notified through a request form with supporting evidence, service may be refused.

Chartwells can provide a jacket potato with a suitable topping from the date of receipt of a medical diet request until the date a medical diet menu has been confirmed for a child. Otherwise, pupils must provide a packed lunch meal as an interim measure.

Chartwells reserve the right to decline a medical diet request if a risk assessment considers the medical risk too high, or the request process is not completed in full (for example if insufficient medical evidence is provided). In these circumstances, Chartwells may refuse to provide any diet to the pupil.
