

Flu Vaccination Information Sessions

NHS

flu: 5 reasons to vaccinate your child

- 1. Protect your child**
The vaccine will help protect your child against flu and serious complications such as bronchitis and pneumonia
- 2. Protect you, your family and friends**
Vaccinating your child will help protect more vulnerable friends and family
- 3. No injection needed**
The nasal spray is painless and easy to have
- 4. It's better than having flu**
The nasal spray helps protect against flu, has been given to millions of children worldwide and has an excellent safety record
- 5. Avoid costs**
If your child gets flu, you may have to take time off work or arrange alternative childcare

Most children have the nasal spray vaccine which is the preferred vaccine. A vaccine injection is also available which does not contain gelatine from pigs (porcine gelatine).

For more information visit www.nhs.uk/child-flu

Please join Mrs Hussain and the School Nurse at one of the following sessions:

Tuesday 23rd September

Morning session: 9am

Afternoon session: 2:15pm

You will get more information about the flu vaccine and receive help to complete any consent forms.
